- (1) The final number of the Offer Shares allotted to each of the Cornerstone Investors was calculated with reference to the actual Hong Kong dollar amount of their respective investment remitted and the exchange rate at the actual date of their payment/remittance, if applicable. Due to the currency exchange difference, the final number of Offer Shares allotted may be different from the illustrative number of Offer Shares to be subscribed by certain Cornerstone Investors as disclosed in the Prospectus.
- (2) The Overall Coordinators and the Joint Global Coordinators confirm that no over-allocation of International Offer Shares has been made and the Over-allotment Option has not been and will not be exercised.
- (3) Each of Qingdao Haiming, Qingdao Hainuo and Qingdao Financial is ultimately controlled by Qingdao Municipal People’s Government (青島市人民政府). As the Offer Price is finally determined to be HK\$6.50, the LR8.08(3) Adjustment set out on page 371 of the Prospectus under the section headed “Cornerstone Investment” has been triggered. The total investment amounts of the Cornerstone Investors have been reduced to US\$61.9 million, while the aggregate investment amounts of the three largest public Shareholders (including the Cornerstone Investors) have been reduced by US\$71.9 million, in which case the total Offer Shares allocated to the three largest public Shareholders would represent approximately 49.99% of the Shares in public hands.
- (4) Any discrepancies in the tables above between the amounts identified as total amounts and the sum of the amounts listed therein are due to rounding.

11,300,000 Offer Shares, representing approximately 1.63% of the Shares in issue immediately upon the completion of the Global Offering (given that the Over-allotment Option has not been and will not be exercised), were placed to Qingdao Hainuo as a Cornerstone Investor. For the purpose of the Qingdao Hainuo Cornerstone Investment, Qingdao Hainuo has engaged Galaxy Jinhui, an asset manager that is a QDII as approved by the relevant PRC authority, to subscribe for the H Shares under the cornerstone investment in the name of its financial product, Galaxy Asset Management Plan, on a non-discretionary basis on behalf of Qingdao Hainuo under the International Offering. As Galaxy Jinhui and Galaxy Securities (as one of the capital market intermediaries, Joint Global Coordinators, Joint Bookrunners and Joint Lead Managers in the Global Offering) are members of a group of companies controlled by China Galaxy Securities Co., Ltd. (中國銀河證券股份有限公司), Galaxy Jinhui is a “connected client” of Galaxy Securities for the purpose of paragraph 13(7) of Appendix 6 to the Listing Rules. The Company has applied to the Stock Exchange for, and the Stock Exchange has granted, its consent under paragraph 5(1) of the Placing Guidelines to permit Qingdao Hainuo to participate in the Global Offering through Galaxy Jinhui as the asset manager in the name of Galaxy Asset Management Plan. Please refer to the section headed “Waivers from Strict Compliance with the Listing Rules” in the Prospectus.

To the best knowledge of the Directors, (i) each of the Cornerstone Investors is an Independent Third Party and is not our connected person (as defined in the Listing Rule); (ii) the Cornerstone Investors are not accustomed to take instructions from our Company, the Directors, the Supervisors, chief executive, the Controlling Shareholders, the substantial Shareholders, other existing Shareholders or any of its subsidiaries or their respective close associates in relation to the acquisition, disposal, voting, or other disposition of H Shares registered in their name or otherwise held by them; and (iii) none of the subscription of the relevant Offer Shares by the Cornerstone Investors is financed by the Company, the Directors, the Supervisors, chief executive, substantial Shareholders, other existing Shareholders or any of its subsidiaries or their respective close associates.

The Cornerstone Placing will form part of the International Offering and the Cornerstone Investors will not subscribe for any Offer Shares under the Global Offering (other than pursuant to the Cornerstone Investment Agreements). The Offer Shares to be subscribed by the Cornerstone Investors will rank *pari passu* in all respect with the fully paid Shares in issue and will be counted towards the public float of our Company under Rule 8.08 of the Listing Rules. Immediately following the completion of the Global Offering, none of the Cornerstone Investors will become a substantial Shareholder of our Company. The Cornerstone Investors or their close associates will not, by virtue of their cornerstone investments, have any Board representation in our Company. Other than a guaranteed allocation of the relevant Offer Shares at the final Offer Price, the Cornerstone Investors do not have any preferential rights in the Cornerstone Investment Agreements compared with other public Shareholders. As confirmed by the Cornerstone Investors, (i) their subscription under the Cornerstone Placing would be financed by their internal resources and/or the financial resources of their shareholders; and (ii) there are no side arrangements or agreements between the Company and the Cornerstone Investors for the purpose of the Cornerstone Investments.

Each of the Cornerstone Investors has agreed that it will not, whether directly or indirectly, at any time during the period of six (6) months following the Listing Date (the “**Lock-up Period**”), dispose of any of the Offer Shares it has purchased pursuant to the relevant Cornerstone Investment Agreement, save for certain limited circumstances, such as transfers to any of its wholly-owned subsidiaries which will be bound by the same obligations of such Cornerstone Investor, including the Lock-up Period restriction.

Please refer to the section headed “Cornerstone Investment” in the Prospectus for further details relating to the Cornerstone Investors.

## Over-allotment Option

In connection with the Global Offering, the Company has granted the Over-allotment Option to the International Underwriters, exercisable by the Overall Coordinators (for themselves and on behalf of the International Underwriters), at any time from the Listing Date to Saturday, October 28, 2023, being the 30th day after the last day for lodging applications under the Hong Kong Public Offering, to require the Company to allot and issue up to an aggregate of 25,988,000 additional H Shares, representing approximately 15.0% of the total number of Offer Shares initially available under the Global Offering, at the Offer Price to cover the over-allocations in the International Offering. There has been no over-allocation of International Offer Shares. Accordingly, the Over-allotment Option has not been and will not be exercised.
